

UNIVERSITY VISION

The Technological University of the Philippines shall be a premier state university with recognized excellence in engineering and technology education at par with leading universities in the ASEAN region.

UNIVERSITY MISSION

The University shall provide higher and advanced vocational, technical, industrial, technological and professional education and training in industries and technology, and in practical arts leading to certificates, diplomas and degrees.

It shall provide progressive leadership in applied research, developmental studies in technical, industrial, and technological fields and production using indigenous materials; effect technology transfer in the countryside; and assist in the development of small-and-medium scale industries in identified growth centers.

CAMPUS GOALS

1. Produce qualified and globally competitive graduates capable of productive employment, entrepreneurship and continuing education.
2. Provide progressive leadership in applied and developmental research using locally available materials to effect technology transfer in the countryside.
3. Disseminate research materials and technological studies and livelihood courses towards productivity.

OFFICE OF STUDENT AFFAIRS

CERTIFICATE OF GOOD MORAL CHARACTER

This is to certify that

ARMELITA P. CINCO

was enrolled in the BET-COET program and has graduated in
2025.
